

Sponsor the Amitabha Mandala Temple & Retreat Center, Nepal

Opak Khilkhor Choling

The Amitabha Mandala Temple and Retreat Center is currently under construction on a mountain top in the Kathmandu Valley

The main shrine room will contain a 12 foot high statue of *Buddha Amitabha* with 7 foot high statues of *Guru Rinpoche* and *Lord Jigten Sumgon* on either side.

On the floors above will be shrines to tantric deities, Dharma Protectors and the five Buddha Families.

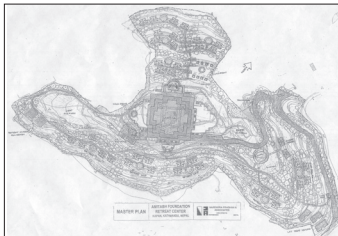

The main *Buddha Amitabha* statue will take 2 years to complete and will involve 5 craftspeople fulltime.

Because of the quality of the materials and the time and number of artisans involved, each statue will cost around US\$1,250 per foot.

The main *Buddha Amitabha* statue will cost US\$15,000.

Rinpoche is asking people to sponsor one of these beautiful statues, or any of the hundreds of smaller statues to be located throughout the temple.

They will all be filled, consecrated and placed in the new Amitabha Foundation temples as objects of veneration and devotion and to facilitate dharma practice.

The complex will consist of 16 large and small temples as well as 64 retreat cabins

Sponsor an artist, the painting of murals and thankas or ritual items for the shrine
