THE DRIKUNG BUDDHIST DHARMA MANDIR WELFARE SOCIETY

Regd. No. 5601/86, Read. Under the H.P. Society Act. XXI, 1860

Date: 30th April 2021

Dear Lotus See - Hamburg,

Warm Greetings from Drikung Kagyu Monastery!

On behalf of H.E. Lho Ontrul Rinpoche and the Sangha community of Drikung Kagyu Monastery, I would like to extend my sincere gratitude for your selfless help in coordinating and organizing Dana (Donation/Contribution) for the Drikung Covid-19 Welfare Measures (DC19WM).

With DC19WM (2020), we helped many poor & deserving individuals, their families, front-liners in local governmental institutions, and several NGOs through distributing essential food items, providing financial assistances, supplying essential medical equipment etc.

Now with the emergence of second waves of Covid-19, many people are being affected significantly and rising death tolls are the cause of concern, especially due to the lack of medical facilities. As we're seeing, the current situation here in India is getting critical and it appears to be lasting indefinitely.

Thus, in the light of this crisis, the Monastery has decided to re-organize the Drikung Covid-19 Welfare Measures (2021), primarily focusing on provide basic PPEs and medical facilities to the general public.

We request your kind self to help in coordinating and organizing Dana for this noble cause.

Yours kind cooperation will help greatly in healing, preventing and prevailing against this deadly virus.

With much regard,

Lho Ratna Rinpoche
Head of DC-19WM Committee

P.O. REWALSAR-175023, DIST. MANDI, H.P. (INDIA)
